

GROUP 18

ZURICH

Connect 'N' Fly

THE TEAM

- Akash Malhotra

- Revanth Banala

- Belikse Ramljak

CHALLENGES

- Need for a communication platform between passengers high in the sky.
- Need for more interactive and convenient passenger experience

A need for a well “connected” travel experience

HERE'S THE SOLUTION!

- Interactive app with chat available between passengers and between passengers and staff;
- Integrated with additional features like – special assistance and inflight services.
